Promotions Policy

Planet Dog periodically offers promotions. These are valid on new orders and cannot be used on orders already placed. Promotional codes must be mentioned or entered at time of order and cannot be combined. Other

restrictions, when applicable, will be clearly noted on promotional materials.

Sample Policy

Samples are provided upon request at wholesale prices. Planet Dog will credit the cost of the sample to your account once a case order is placed. damaged merchandise exceeds \$30, we require that you send it back to us. Please advise customers at time of purchase about toy durability and intended use. Refer to our durability ratings for Orbee-Tuff® toys.

Minimum Advertised Pricing Policy

Planet Dog has been building a premium brand with strong recognition since 1997. By not adhering to the established Minimum Advertised Price (MAP) a retailer can have a dramatic effect on diminishing or detracting from the perceived value of the Planet Dog brand and its products. The internet, with its worldwide impact, can cause great harm to any companies' products, if they are advertised at prices that will eliminate any legitimate retail competition. Our MAP pricing policy is intended for consumers to purchase from other retailers based on loyalty and customer care expectations. Therefore, if Planet Dog agrees to allow your company to sell its products, you will need to agree and abide by our MAP requirements and restrictions. To request an updated MAP list of our products, or for more information on this policy, please contact our customer service team at 800.381.1516.

Third Party Sales

Planet Dog sells only to approved accounts. Planet Dog will not sell to third party sites or vendors without authorization and permission. Exceptions will be at Planet Dog's sole discretion and based on responsible business practices, and demonstrated historical volume of sales.

We thank you.
