Minimum Advertised Pricing Policy

Planet Dog has been building a premium brand with strong recognition since 1997. By not adhering to the established Minimum Advertised Price (MAP) a retailer can have a dramatic effect on diminishing or detracting from the perceived value of the Planet Dog brand and its products. The internet, with its worldwide impact, can cause great harm to any companies' products, if they are advertised at prices that will eliminate any legitimate retail competition. Our MAP pricing policy is intended for consumers to purchase from other retailers based on loyalty and customer care expectations. Therefore, if Planet Dog agrees to allow your company to sell its products, you will need to agree and abide by our MAP requirements and restrictions. To request an updated MAP list of our products, or for more information on this policy, please contact our customer service team at 800.381.1516.

Third Party Sales

Planet Dog sells only to approved accounts. Planet Dog will not sell to third party sites or vendors without authorization and permission. Exceptions will be at Planet Dog's sole discretion and based on responsible business practices, and demonstrated historical volume of sales.

We thank you.
